# Chauffeur in your Car Service

Our “**Chauffeur** in your car service” refers to a professional driver provided by Chasers Designated Drivers (ChasersDD)—a Scottsdale-based service specialized in safely transporting clients along with their vehicles, especially during evenings and nights to prevent impaired driving incidents.

---

## What Does That Mean?

### Professional Driver Experience

- A chauffeur with ChasersDD is rigorously vetted through MVD background checks and trained to prioritize safety and responsibility.
- They provide attentive, courteous service—handling both the client and the client’s vehicle with care.

### You Ride in Your Own Car

- Unlike taxi, rideshare, or limousine services, ChasersDD chauffeurs drive **your** vehicle—eliminating concerns about parking, damage, or transporting your car separately.
- This arrangement combines the comfort of your personal car with the professional experience of a chauffeur.

### Safe, Reliable Service

- Whether you’re out late, attending an event, or avoiding buzzed driving, your chauffeur ensures you and your vehicle return home safely.
  - ChasersDD promotes a “no DUI” mindset, offering peace of mind for individuals and larger groups alike.
-

## Why Choose a ChasersDD Chauffeur?

Benefit	What You Get
Professional Drivers	Background-checked, courteous, and trained for safe, reliable service
Your Car, Your Comfort	Enjoy the familiarity and cleanliness of your own vehicle
No Vehicle Left Behind	Your car gets home with no need to retrieve it later
Safe & Responsible	Avoid DUI risks, parking tickets, and unsafe situations
Available 7 Days/Week	Operating from 3 PM to 3 AM, with extended hours by appointment
Better Pricing	Lower cost than SUV/SEDAN services.
Flexible Payment	Pay by cash or charge to your membership account

---

### How It Works

- Call and set up your account, schedule your driver. (Give us as much lead time as possible.)
- A professional chauffeur meets you at your requested starting location and **drives you in your own vehicle** around town and is at your requests.
- You ride as a passenger alone or with guests—relaxed, safe, and in control of your own schedule. Your driver is available to assist you in any way needed.

### In Summary

A **ChasersDD Chauffeur** is a trained professional who drives members/customers in their own vehicles to ensure safe, reliable, on-demand transportation—typically during late-

night hours. This service is ideal for individuals who want convenience, peace of mind, and a safe trusted driver. This choice is a lifestyle game changer!
